A PARABLE ON TIME Luke 12:35-48

3. List at least three principles of time management from the parables in Luke 12:35-48.

4. To whom do these parables apply? v. 41

5. How does knowledge or ignorance affect stewardship of time? vs. 47, 48

PRIORITIES IN THE USE OF TIME

6. Why is it important to establish priorities?
1 Corinthians 7:29-31

7. Why should we redeem every moment? Ephesians 5:16

8. Give another reason from Ephesians 5:15.

9. How should we establish priorities? Matthew 6:33

10. Does that which has the first priority necessarily have to consume the most time? Explain.

11. In what order do you place each of the following? Entitle your paper, "My Present Priorities." First, list these items in the order of the amount of time they consume in your life. Then, list the same items in the order of proper priority.

12. Are there some changes you should make in your priorities?

13. Are there areas that overlap? Could you be doing two things at once to improve your use of time? List them.

14. What consumes most of your time?

15. What things are necessary and cannot be changed?

16. On what do you spend quality time?

ASSIGNMENTS

Do a time study of your life for seven consecutive days in 15 minute segments. Do not alter your routine—this is for your benefit. Then report to your teacher to discuss the results and their significance. (Forms available.)
